Dear Valued Customer:

At Kroll International, our continued mission is to bring our dealers and manufacturers the best service possible while helping all parties grow their businesses. Additionally, it is our honor to provide industry leading brands with top products at the lowest pricing. In order to maintain our relationships with many of these brands, we at Kroll, continue efforts to help enforce many policies that our brands attribute to the success of their identity, such as MAP and 3rd Party Reselling. Respectively, we'd like to remind our dealers that the following brands have a policy that prohibits the sale of any of their product on a 3rd Party Resellers website:
